HSC revision opportunity for rural and remote DoE schools in NSW

This is an opportunity for any HSC class in a rural or remote Department of Education school offering HSC Physics to connect and revise with others. A range of experienced teachers and HSC markers will present updated information on course content. Students will have opportunities to ask questions and seek answers in real time.

Date: Wednesday 19th July, 2017

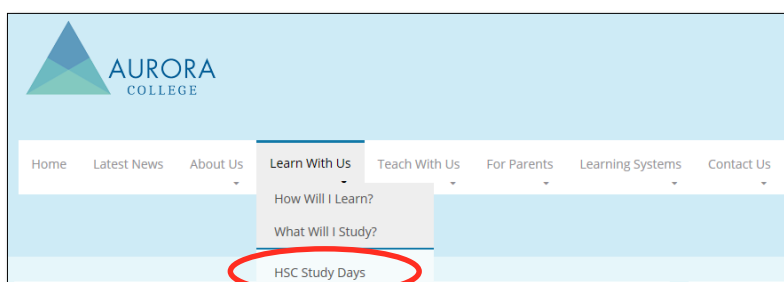

Time: 9:00am - 3:15pm

Location: Online via Adobe Connect. Materials and URL will be emailed to participating schools prior to the event and will also be available for download during day.

Registration: Go to the 'Learn With Us' tab on the Aurora website
<http://www.aurora.nsw.edu.au/learn/hsc-study-days>

Teachers register using their DoE email address only.

Registration closes on 14 July, 2017

Cost: \$50.00 per school. Please select 'Pay by invoice' when registering.

Duty of care for students throughout the day remains with the registered schools and their respective teachers. Please ensure adequate supervision is provided during the day. We look forward to your participation.

Setting up Adobe Connect

The sessions will be held via Adobe Connect. Please ensure there is only one connection per school. The presentation can be displayed on a data projector through any computer with an ethernet cable and speakers. The information below will help with setting up if you are not familiar with Adobe Connect.

- You will need to perform all necessary setup in advance of your online session so that you have time to resolve any connection or access issues. The Adobe room will be opened 30 mins prior to commencing to allow time for set up.
- Test your computer prior to accessing your online room by going to the [Meeting Connection Diagnostic](#). Ensure you install any add-ins, if prompted to do so by the connection test.
